## If You Remember Me

If you remember me,  
When you remember me,  
I hope you'll see  
It's not the way  
I want it to be.  
For I'd be with you now,  
But wherever you go  
My love goes with you.

Keep on smilin',  
Keep on shinin',  
Even though you know you want to cry.  
I tried to love you,  
But lookin' through my eyes  
You saw promises and lies — too many times.

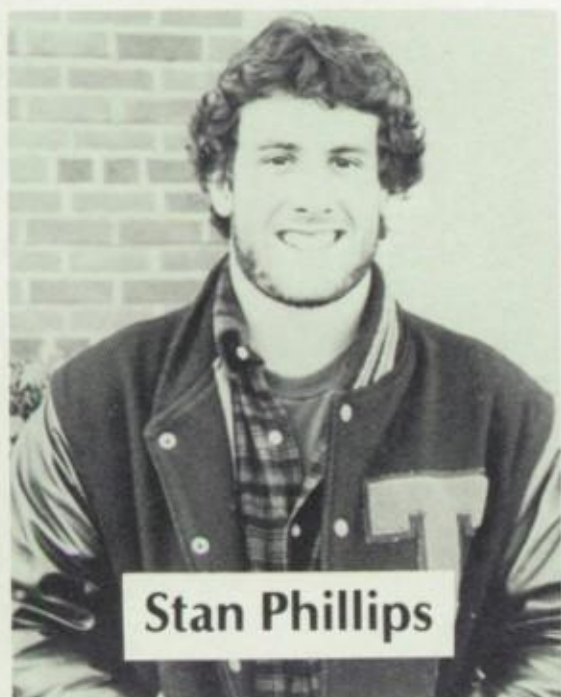

If you remember me,  
When you remember me,  
I hope you'll see  
It's not the way  
I want it to be.  
For I'd be with you now,  
But wherever you go  
My love goes with you.

I tried to love you,  
Keep believin',  
Some things even time can't come between.  
And if you blame me,  
Try and realize  
There were promises and lies — too many times.

If you remember me,  
When you remember me,  
I hope you'll see  
It's not the way  
I want it to be.  
For I'd be with you now,  
But wherever you go  
My love goes with you.

*Class Poem*

Seniors,

We have reached to grasp  
The meaning of life  
And the essence of youth.  
The times make one reflective  
And the silence of endings  
Seem very deep;  
But the mystery of the future  
Has inspired our search  
For new goals, wisdom, and ideals.  
Often our unity seemed  
A somewhat fragile enterprise,  
We were vulnerable yet proud,  
Distinguished by our circumstances,  
And influenced by different creeds.  
Often we lived on others' dreams  
And fell short of their expectations.  
We were criticized, but also respected.  
We grew, loved, and learned.  
We touched on understanding.  
And we aspired to reach higher and higher  
Only to realize our purpose. —  
Our significance.

## DON'T QUIT

When things go wrong, as they sometimes will,  
When the road you're trudging seems all up hill,  
When the funds are low and the debts are high,  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
Rest if you must — but don't you quit.

Life is queer with its twists and turns,  
As every one of us sometimes learns,  
And many a "failure" turns about  
When he might have won had he stuck it out;  
Don't give up, though the pace seems slow,  
You may succeed with another blow.

Often the goal is nearer than  
It seems to a faint and faltering man;  
Often the struggler has given up  
When he might have captured the victor's cup;  
And he learned too late, when the night slipped down,  
How close he was to the golden crown.

Success is failure turned inside out —  
The silver tint of the cloud of doubt,  
And you never can tell how close you are,  
It may be near when it seems afar;  
So stick to the fight when you're hardest hit —  
It's when things seem worst that you mustn't quit.

Harry J. Phillips Jr. has been at Tyner for five years. Where would we all be if we didn't have the big man looking after us?

Mr. Phillips, a man of strong discipline, still knows how to catch the interest of everyone. He always seems to understand whenever there is a problem and he will always be your friend. We appreciate you, Harry J.!

Dear Seniors,

I am extremely proud of our graduating class. Together we have experienced meaningful growth and a sense of purpose which will forever strengthen each of us as individuals and constantly serve as reminders of Tyner High School, 1980 — THE YEAR OF THE CHAMPIONS!

Permit me to borrow from Stan's Senior Day speech of April 25, 1980 in which he trapped the emotion of our class and quite aptly portrayed the uniqueness of our young people who "felt without touching, bent without breaking, and lost without quitting."

"Success is failure turned inside out —  
The silver tint of the cloud of doubt,  
And you never can tell how close you are,  
It may be near when it seems afar;  
So stick to the fight when you're hardest hit —  
It's when things seem worst that you mustn't quit."

Sincerely,

*Harry J. Phillips Jr.*

Outstanding players were *Felicia Pittman*, who was selected to the All-city team and was the most valuable player, *Joe Patrick*, most improved, and *Deana Wilkey* who was selected for Miss Carter's own hustlin Ram award. Deana was also an All-District team member.

## CIL CHAMPS DISTRICT 6-AAA CHAMPS

"The Year of the Ram" This phrase was heard by many a Tyner Ram football fan this season. This phrase seems to sum up the Rams' spectacular 1979-80 football season. The Tyner High School Rams captured the CIL and District 6-AAA crowns for the first time in the school's history. This proved to be a great experience for everyone associated with our Rams. Students, Faculty, Tyner fans and especially the 1979-80 team members were exuberant over these achievements. It was a very emotional season. Excitement, tension, and pressure prevailed in every game. Maybe for the spectators it was just another game on Friday night, but for the players and coaches it was top priority in their minds all week long. The boys lived and breathed football for many weeks.

Described as being a small, but very quick team by **Head coach Ernie McCarson**, this year's Ram team proved themselves worthy of both titles. Ending the season with an eight and two mark, the Rams displayed

brilliance and excellence from beginning to end. They set out in the beginning to prove how tough they really were, by stripping the high and mighty Brainerd Rebels, who were picked #1 in the CIL, of their first possible win. This first win for the Rams was very impressive. So much so, that the state UPI *ranked the Rams 4th in the state, which was the highest ranking ever for a Tyner team.* The Rams continued to show their power in romping Howard and defeating Kirkman for their 2nd and 3rd wins. Moving into mid-season, the swarming defense kept the Ooltewah Owls down 42-0. The Rams dropped Central 28-0 for their 5th straight win. The rugged Ram defense, so far, hadn't allowed a point since the second quarter of the season opener with Brainerd, 19 quarters ago. A threat to continued success, was the increasing injured list. **Ollie Tatum** — bruised; **Woodburns** thigh, tight end, **David Turner's** ankle and **Phillips'** shoulder injury, were all crucial.

The Rams, on their sixth outing, met private boys' school McCallie. *They brought home a sixth win after blowing away the blue tornadoes 25-7.* A boost in the UPI ratings ranked Tyner 2nd in the state. With crucial games ending the season, the Rams faced City High and produced an overtime victory 20-17. With the CIL showdown only a week away, the Rams had Baylor on their minds, and let Hixson slide by in the first loss of the season. It was all forgotten in a week. The long practices and the long season was all in preparation for the CIL showdown. *Tyner vs. Baylor, Nov. 10, 1979. A VICTORY! The CIL and District titles were captured, score 12-7.* The state playoffs at home, against Cleveland ended hopes of a state championship for the Rams. All was not lost, the season was a great one. Many fine athletes were recognized, as well as the team as a whole. *Five All-City team members, Tennessee H.S. Team of the Year, and Coach McCarson was selected co-coach of the year.*

## COMING ATTRACTION

What would Tyner be like without the band and chorus? There would be no assemblies, no halftime entertainment and no chorus cushions. **Bridget Webb** and **Kevin Paulk** have captured in these pages the spirit of the band and chorus that was shown to the school during the year. We hope to bring back the precious memories that have been created.

In Memory of  
Kevin Davis  
January 22, 1963 to February 13, 1980

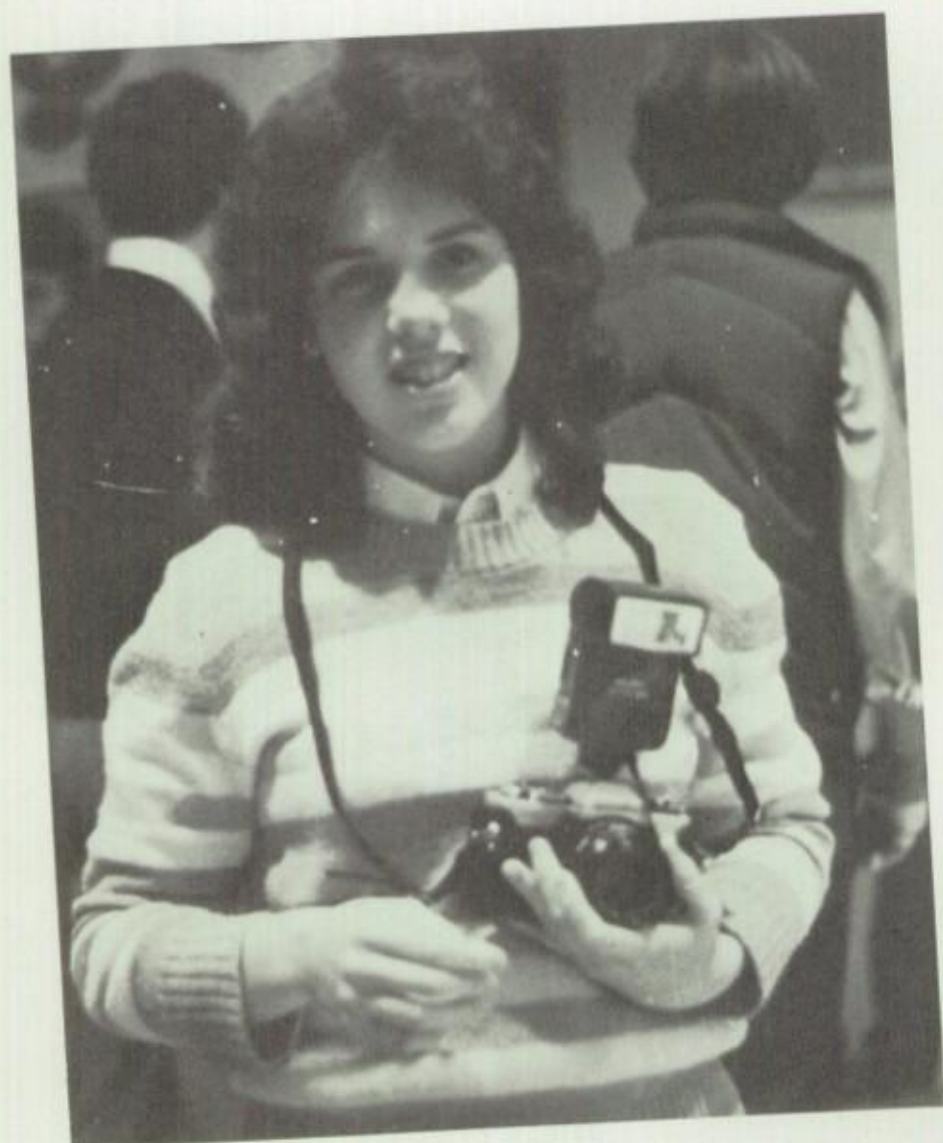

We may never understand why you had to leave us so young,  
For your life as a young man had only just begun.  
You always faced life with such courage up to the very end.  
And to those you met along life's pathway,  
You were a real true friend.

Although life goes on for those left here,  
Sometimes we find happiness and cheer —  
That seem to get darkened by tears.  
We miss your cheerful smile, your kind and thoughtful way —  
But for all the joy you brought to us,  
Forever grateful will we stay.

And though your life here was filled with much pain,  
You never once grumbled or complained.  
You were resolved to live with all your might,  
And our loss is surely Heaven's gain.

You will be sadly missed  
By Family, Friends, and Classmates

## COMING ATTRACTION

The staff of the Tally Ho wish to thank you for being faithful supporters of Tyner High School. Your renewed dedication will always be remembered and appreciated by tomorrow's leading citizens of our community. **Lynne McDade** has put this section together for you to be recalled by everyone.

We  
the Tally-Ho Staff  
Dedicate to  
**Mr. Raymond  
Adams**  
the 1980 Annual  
for Your Leadership  
and Love  
for the Students of  
Tyner High School

It is hard for me to put in words how I feel about this book. I have never had such a challenge with being in charge of a group of workers, making final decisions right or wrong, and seeing that all things work according to plan. It has been a good experience for me and I have done my best.

Thank you, Mr. Keffer, for everything that you have done for me. I couldn't have made it through the year without you. You've been my best friend through it all. Yes, I may be a perfectionist, but it is all because I wanted to make one of the best annuals ever.

The people on the staff have worked very hard on their sections to prepare each page so you, as an individual, may cherish it in years to come. We have had a good time through the year but it's not all fun and games. Staff members have taken part of their own time and have worked very hard to present you with this yearbook. We hope you enjoy the pictures and words contained within. These are times you will never forget because we have captured them in print and pictures to preserve the memorable experiences in your life — your high school years.
